

bright & early

What's next...

Creative buddies

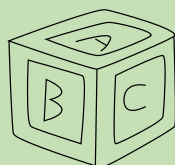

bright & early

**Age group: 3 – 4 years old 3 or 5 days
a week**

An extension from the Playgroup programme, the children will continue their holistic development and learn through creative play activities to develop active and life long learners

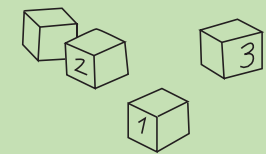

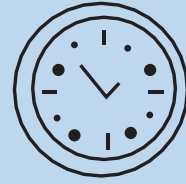

bright & early

Program Objectives:

- Enhance each child's competency
- Focus on all aspects of a child's development
- Build confidence and self esteem
- Encourage children to think critically and creatively
- Ensure that children have fun while they learn - an essential aspect in children's development
